Event Management

Conference, exhibition & gala dinner for 600

"We have worked with Stagecraftuk on a couple of major conferences requiring full production and exhibition support.

"I was impressed by their professionalism and attention to detail at all times during the events. In particular, their customer handling skills meant they were able to manage all speakers and presentations, leaving me free to get on with my job.

"I feel that they definitely added value to the show, working over and above what we had asked them to do, and I would have no hesitation in recommending them to other conference organisers and working with them again."

Chris Emmerson, Environment Agency

Conferences

Corporate conference for 2500 people

“The Stagecraftuk crew assisted us with a 2 day build at The Ricoh Arena and were responsible for flying over 400m of trussing over the stage set.

“Handing an event over to a third party is always a risk but Stagecraftuk provide excellent kit and the team have extensive knowledge and experience to deal with any situation.

“The job was completed to a high standard within the time schedule and our combined efforts ensured the event was a complete success.”

John Roebuck, Roebuck Productions

Gala Dinners

Gala dinner for 1800 delegates

"We have involved Stagecraftuk in many of our events held over the recent years and always find them a helpful, professional and pleasant addition to our own existing production team, instantly fitting in as 'part of the family'.

"They excel at 'getting involved' with the project in hand, going out of their way to advise, recommend and find solutions to whatever the task may be.

"Stagecraftuk are an excellent supplier of technical services and a worthy addition for a successful event."

Paul Kennie, MediaMaker Conference

Exhibitions

Complete solutions for over 15,000 sq m

“Stagecraftuk not only have many different exhibition systems and hardware but have also helped us deliver bespoke solutions.

“They have supplied us with all the different elements such as lighting, power distribution, AV equipment and even draping.

“When you have to deliver over 15,000 sq m of exhibition you need a company who have the technical know how such as Stagecraftuk.”

Richard Plowman, Solex

Live Events

Proms in the Park for over 800 people

“Our Proms are an important annual event which brings our whole community together. This particular event was to celebrate the 90th anniversary of Save the Children and was a huge success.

“Stagecraftuk worked with the challenging conditions of an outdoor surface and created a solid platform to build our grand auditorium.

“They supplied and operated a full range of lighting, sound, special effects, audio-visual equipment and power distribution to provide us with a complete solution.”

Zoe Day, Ellesmere Proms in the Park

Award Ceremonies

Local business awards for 800 delegates

“The company are professional, approachable and friendly event production experts.

“On the numerous occasions we have used Stagecraftuk, the team have delivered outstanding results. They designed and built our stage set for our awards this year, which looked extremely impressive and the staff managed the event which went very smoothly.

“It is refreshing to use suppliers who take such pride in their work.”

Richard Sheehan, Shropshire Chamber of Commerce
